SECTION 5 - PAYMENT FOR SPACE

5.1 General:

All monies paid shall be retained by Show Management and are non-refundable and non-transferable in the event that the exhibitor fails to fulfill or violates their contract. If the exhibitor fails to submit booth payments by the specified times Show Management is handed the right to take possession of the space and sell it to another party.

There will be no refunds for cancellation or no-shows.

5.2 Advance Payment:

Exhibitors are required to pay in advance for all space requested. Acceptance of payment with the exhibitor application should not be construed to mean payment has been made in full. Any discrepancies in balance will be billed.

SECTION 6 - SHIPPING, DELIVERIES & STORAGE

Direct shipments must be made during the exhibitor's designated move-in day and time.

Every crate or carton must be marked with appropriate shipping labels.

Please ensure that a representative from your company is present when your shipment arrives. Also ensure that personnel working on your booth have your company name and booth number. This will ensure that the material handling on move-in days runs smoothly and efficiently and minimizes security hold ups. If an exhibitor's representative is not present, Show Management reserves the right to order equipment and/or materials moved from the receiving dock to the exhibitor's booth area, or to order the removal of the truck from the receiving dock area. Charges for this service will be invoiced to the exhibitor.

For In booth on-site storage, the following regulations must be adhered to:

Due to the size of the Show and the number of exhibitors, on-site storage and dock parking options are limited. All exhibitors are expected to make their own parking arrangements. Trailer storage is available at the docks during the event days and can be arranged through Show Management. Applicable rates will be applied for all storage. For additional on-site storage, please contact the Show Decorator.

SECTION 7 - EXHIBITOR ELIGIBILITY & RESPONSIBILITIES

Only companies with products and/or services relating to comic, sci-fi, horror, anime, or gaming culture are eligible to exhibit. **No adult materials or illegal weaponry** may be displayed or sold without prior written permission through Show Management. 7.3 Character of exhibits:

Character of exhibits is subject to approval from Show Management, and all decisions regarding the display of materials shall rest solely with Show Management.

8.2 Booth terminology and configurations are based on a 10 ft. x 10 ft. exhibitor space.

LINEAR BOOTH

Linear Booths, also called "in-line" booths, are generally arranged in a straight line and have neighboring exhibitors on their immediate right and left, leaving only the front side exposed to the aisle.

Regardless of the number of Linear Booths utilized, display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. **The maximum height of 8 ft. is allowed only in the back half of the booth space, with a 4 ft. height restriction on all materials in the remaining space forward to the aisle.**

NOTE: When three or more Linear Booths are used in combination as a single exhibit space, the 4 ft. height limitation is applied only to that portion of exhibit space which is within 10 ft. of an adjoining booth.

LINEAR BOOTH 3D VIEW

PERIMETER BOOTH

A Perimeter Booth is a Linear Booth that backs to an outside wall of the exhibit facility rather than to another exhibit. All guidelines for Linear Booths apply to Perimeter Booths except that the typical maximum back wall height is 12 ft.

Painting, nailing or drilling of floor is not permitted. If two-sided tape is used, it must be completely removed by the exhibitor during move-out. Exhibitors must not use masking tape, clear packaging tape or duct tape to adhere the covering to the Show floor. The recommended tape is Scapa Tape which is a high-adhesion double-sided cloth tape commonly used at trade shows; it leaves almost no residue upon removal.

NOTE: Upon removal of each booth, Facility Management and Show Management will inspect each space for any damages incurred by the exhibitor and to check that all materials, including tape residue left on the floor, are properly removed. Any charges to make good the exhibit space will be passed on to the exhibitor.

All banners **MUST** be hung through the venue.

SECTION 10 - HEIGHT & LINE-OF-SIGHT VARIANCE

Failure to comply may result in any sound system in the booth being turned off.

Exhibitor off-site events that conflict with Show or conference hours must have the approval of Show Management.

All Celebrity Signings must be coordinated with Show Management in advance. Not all booths will be able to accommodate all signings. The best way to get approval for your signing is to have a plan for controlling the lines in your booth during any signings. Please note that you may be required to hire security for high traffic events.

16.1 Signing Events:

Exhibitors must space at least 30 minutes between signing events. Exhibitors may not have more than one signing event going on in their booth at any given time.
